

ARMY PUBLIC SCHOOL SUNJUWAN

INTRODUCTION

The true essence of a school lies, not in its infrastructure of four walls but its overall purpose of imparting quality education which includes the art of shaping individual's personality through physical, emotional, intellectual and spiritual development.

MISSION

1. To create or augment education and technical/professional/vocational training facilities to meet the needs of children of army personnel including widows and ex-servicemen.
2. To impart quality education at affordable cost to the children of army personnel including ex army personnel.
3. To prepare students for all India Secondary School examination of the Central Board of Secondary Education with a common syllabi thus enabling the children of personnel who are transferred to be admitted in mid session.
4. To promote sports and co-curricular activities.
